PARKING AT THE WAVERLEY BOWLING CLUB

Gentleman,

I would like to clarify the new parking scheme which has been instigated in Southsea adjacent to our club.

The parking zone is known as the MD Kings Zone and currently the restriction for parking is from 4.30pm – 6.30pm Monday to Sunday.

The parking restriction applies to the marked parking bays only.

The council have left 2 areas around the park out of the scheme, these are the east side of the park facing Waverley Road and the west side of the park in Shirley Road and the north side of the park facing the Waverley Bowling Club. These are areas excluded from the permits.

If visiting teams arrive and are able to park in any of these 3 areas they can park there for as long as they want without paying we have attached the MD Kings plan issued by Portsmouth City Council which shows in pink the areas you are unable to park.

If a visiting bowler requires to park in the permit area and obtain a visitors parking permit, which will be available from behind the bar at the Waverley Bowls Club for the face value of £1.10.

I reiterate the cost is £1.10 and the parking times are 4.30pm – 6.30pm.

I hope this clarifies the matter.

Any queries please do not hesitate to contact me.

Peter Aldridge
